

HEALTH ALERT

MONTEFIORE IS TAKING PRECAUTIONS
TO KEEP YOU AND YOUR LOVED ONES
SAFE FROM MEASLES

For your protection and the protection of your loved ones, please **DO NOT ENTER** the hospital if you:

Have a rash with fever, cough,
runny nose or red watery eyes **OR**

Have had contact with someone
who has or might have measles **OR**

Have been to Rockland County,
Williamsburg or Borough Park in
Brooklyn and have not received 2
doses of measles vaccine **OR**

Traveled out of the country in
the past 4 weeks and have not
received 2 doses of measles
vaccine

Please notify a staff member immediately if
you have symptoms of measles.

HEALTH ALERT

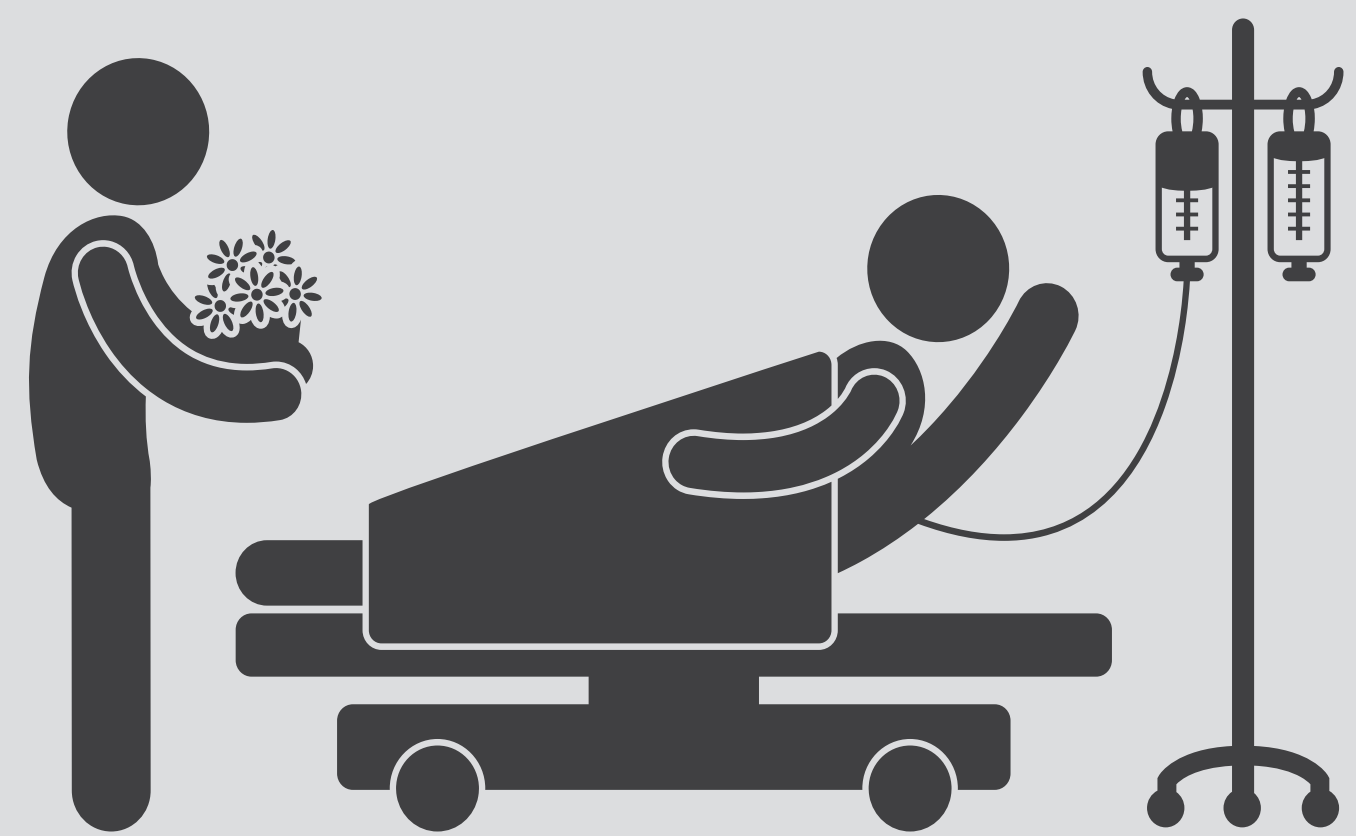

MONTEFIORE IS TAKING PRECAUTIONS
TO KEEP YOU AND YOUR LOVED ONES
SAFE FROM MEASLES

Measles is the most contagious germ and can be very serious for people with certain medical conditions.

VISITING A PATIENT

To protect our patients we do not allow:

- Visitors under age 12
- Visitors to high risk units without proof of vaccine or blood test showing immunity to measles

Thank you for partnering with Montefiore to keep your loved ones and our patients safe.
