

## Burke Rehabilitation Hospital's Patient Portal Authorization

The Burke Rehabilitation Hospital's Patient Portal provides an intuitive, secure, web-based method for patients to access portions of their medical records through our secure web site. This is available from any computer with internet access. When you log into the Burke Patient Portal, you will be able to view portions of your medical record, including medical conditions, medications, vital signs, lab results, allergies, insurance information and physician and clinician documentation.

### Register for the Burke Patient Portal
