FOR IMMEDIATE RELEASE

“Burke Rehabilitation Hospital Opens Newest Outpatient Clinic in Armonk, NY”

WHITE PLAINS, N.Y. – June 13, 2016 – In its ongoing commitment to delivering quality and convenient rehabilitation services to the community, Burke Rehabilitation Hospital is pleased to announce the opening of its newest outpatient rehabilitation clinic in Armonk, New York. The clinic will be open to patients requiring physical therapy appointments beginning on Monday, June 13.

Located at 99 Business Park Drive in Armonk, the new clinic is in the same building that houses the White Plains Hospital Medical & Wellness outpatient center. At the new clinic, Burke’s dedicated physical therapists will be providing state-of-the-art treatment for patients who have experienced an illness, injury or surgery, which require physical therapy for better function. Burke trained therapists will be using the latest equipment available to ensure each patients makes the fullest possible recover and reached their highest level of independnance possible. Patients will receive the same world-class care and cutting-edge treatments they’ve come to expect from Burke.

Conveniently located just off Route 684 in Armonk, the center is easily accessible to residents of Northern Westchester, including Armonk, Chappaqua, Pleasantville, Mount Kisco, Thornwood and Purchase, as well as areas of Connecticut, including Greenwich and Stamford. The Armonk clinic is Burke’s seventh outpatient clinic, which include sites in White Plains, Mamaroneck, Purchase, Yonkers, Somers and the Bronx.

“With the growing need for outpatient services in our area, we are thrilled to be opening a new outpatient clinic in Armonk,” says Steve Tisser, PT, MBA Senior Administrator, Outpatient Services. “This

About Burke Rehabilitation Hospital

Burke Rehabilitation Hospital is a not-for-profit, acute rehabilitation hospital in White Plains, NY. Founded in 1915 through an endowment from philanthropist John Masterson Burke, it is the only hospital in Westchester County dedicated solely to adult rehabilitation medicine. As of 2016, the hospital is now a part of the Montefiore Health system, Inc. Burke offers both inpatient and outpatient programs for those who have experienced a disabling illness, traumatic injury or surgery. Burke serves patients from around the metropolitan New York area and throughout the world. The hospital’s renowned physicians, clinical researchers and therapists provide state-of-the-art treatment and all share the Burke mission to ensure that every patient makes the fullest possible recovery from illness or injury.
